As Australia's ageing population continues to grow, so does the importance of aged care providers in our community. Aon is Australia's largest insurance broker and we are here to look after all your insurance needs and negotiate the best insurance cover and price combination.

Our team of dedicated, experienced staff specialise in the aged care industry, and our tailored solutions are designed to address your sector's specific risks.

Our comprehensive insurance solution for aged care providers includes:

- ↘ a combined liability program with public, professional indemnity and directors' and officers' liability
- ↘ property and business interruption cover
- ↘ workers' compensation
- ↘ voluntary workers' personal accident
- ↘ fidelity guarantee
- ↘ machinery and electronic breakdown
- ↘ motor vehicle (including extensions for employees' vehicles not covered elsewhere)
- ↘ life and superannuation products

We can also assist you with advice on tailoring your risk management package, a professional valuation of your assets, claims management, injury management, OH&S issues and business interruption, along with options for paying your premium.
